"Be prepared to do the most work and receive the least credit of any organization in the school: These are the first words that a new student council member hears. From their election last April until they leave office in the Spring, the Student Council members are constantly at work. Freshmen orientation, parking registration, freshman elections, spirit week, Homecoming parade, door decorations, canned food and money drive, flower hour, the talent show and elections each Spring along with various Sock-Hops throughout the year are just some of the major projects which the PHS Student Council sponsors each year.

Fantastic Homecoming!

"New York, New York?" Pineville High may be in Louisiana but during the eventful Homecoming Week students' thoughts were occupied with the "Big Apple!" Being the theme of Homecoming, "New York, New York" was carried out in door decorations, Homecoming Assembly, and the parade. Adding to the excitement, the victorious Rebels conquered the Grant Cougars, 54-20! Following the game, students "danced the night away" at Convention Hall until 1:00 am. The festivities closed leaving wonderful memories of Homecoming 81!
